Dear Sir:

Your communication to Miss Luisa Castaneda has been received, and I am sending you a list of the various dealers in this country. I should also like to suggest that you write to Mr.F.G. Duffield, editor of a numismatic magazine.

If you have duplicate specimens of any coins of the last Mexican revolution,-that is from 1912 on,-I should appreciate it very much indeed if you would send me rubbings or impressions.

Yours very truly,

Curator.
